

Start a Team

Here are some tips for helping your village, free a village. Starting a team is a wonderful way for your village of friends and family to free 100-200 people from slavery, forever.

BELIEVE

You can do it! Sharing the responsibility and fundraising goal with other team members should be helpful. If you have 10 people on your team and everyone raises just \$1,300 a year, you can free an entire village!

REACH OUT

We want to help you and your team succeed. Collect any questions and send them over to us.

EDUCATE

Supply your team with the facts on modern day slavery and how Schools4Freedom supports entire villages to come to freedom.

ACTIVATE

Post on social media or email your contacts regularly, it shows your team and donors that you “ain’t playin”

ELEVATE

Create opportunities for your team to connect in real time. In-person or online are both great options. Hearing about hurdles or success that each teammate is having is helpful for all!

RESOURCES

Storytelling, photos, and videos allow a wider audience to connect with the cause. Our website and social media have plenty of these resources for you and your team to share and repurpose for fundraising

CELEBRATE

Be your team’s biggest cheerleader -Celebrate milestones, individual goals met, and team wins. It feels amazing to be part of something bigger than yourself and part of a group that is making a real and measurable difference – we say DO THE HAPPY DANCE OF FREEDOM!
